ADVANCING FORWARD

Welcome to Venus International Foundation - VIF! Amid the rapid progress of globalization, there are rising expectations to create new academic - research models to attend the industry needs.

VIF committed to the discovery and transmission of knowledge and is looking to explore new ideas, pursuing new knowledge, creating new art, and filling our society with the vibrancy that comes from being committed to research and intellectual exchange.

Our challenge is to help to generate ideas that will benefit society, and to educate and train people to work in fields where they will be valued both for their specialized knowledge, and for their ability to research, communicate and solve problems.

To meet these challenges we need to build on the alliances and collaborative partnerships. We invite you to join us, as a prospective friend to attend this challenge.

R. Sathishkumar
Chairman

PROPOSED CENTRES 2014 - 2015

I. Centre for Women's Empowerment - CWE

Empowering women has proved powerful in order to accelerate progress in each country, through facilitating networking, coordination, and collaboration among women and women's groups. The aspirations and needs of women are considered, valued and favored equally in terms of rights, benefits, obligations and opportunities. In the development context, a gender equity goal often requires built-in measures to compensate for the historical and social disadvantages of women.

<http://venusinfo.org/women.html>

II. Centre for Youth Development - CYD

The world is changing with exceptional speed and young people respond to these challenges in innovative ways. With the right investments, they can reach their potential as individuals, leaders and agents of change and promoters of social justice. In many corners of the world, young people are emerging as a force for change. The access to information and communication technologies is providing young people with new means to express their aspirations and concerns more freely, to mobilize in large numbers, and to collaborate with

other young people across borders to debate and seek solutions to the problems that concern them most. Youth have demonstrated both their ability and potential to be positive agents of changes who can help address and solve the problems that surround the planet's present and future. They have also shown their ability to build bridges of dialogue across cultures. YDPs centered on developing the capacity of the individual youth.
