Venus International Foundation  
(A Non-Profit Organization – Established in January 2015)  
Chennai – 88

**Dr. Katherina Kuschel**  
Karlsruhe Institute of Technology, Germany  
(Speaker: 10th Annual Women's Meet, 1 March 2025)

# Welcome Message

With great pleasure, we welcome you all to the 12th Annual Women's Meet – AWM 2027 hosted by the Centre for Women Development, Venus International Foundation, Chennai.

The theme of this year's conference is "Cultivate Research Spirit and Create A Vibrant Community of Women In Science and Technology"

The AWM 2027 conference provides a unique platform to have the voice of women researchers to raise broad awareness to the potential of the female intellectualism. It promotes integration of women in Science and Technology.

The conference allows all participants to celebrate accomplishments, extend peer networks, and jointly explore future research directions.

Further, the conference offers enlightening keynote lectures by renowned experts, followed by scientific sessions with high quality presentations and discussions.

Thank you once again for your support of this conference, and I wish you a fruitful meeting. We look forward to seeing you in March 2027.

Sincerely,  
**Organizing Committee**

**AWM 2027**

# Our Prominent Speakers

# Scope of the Conference

The 12th Annual Women's Meet – AWM 2027

invites women researchers and women faculty members working at institutions of academic, scientific and industrial sectors with a recognized qualification

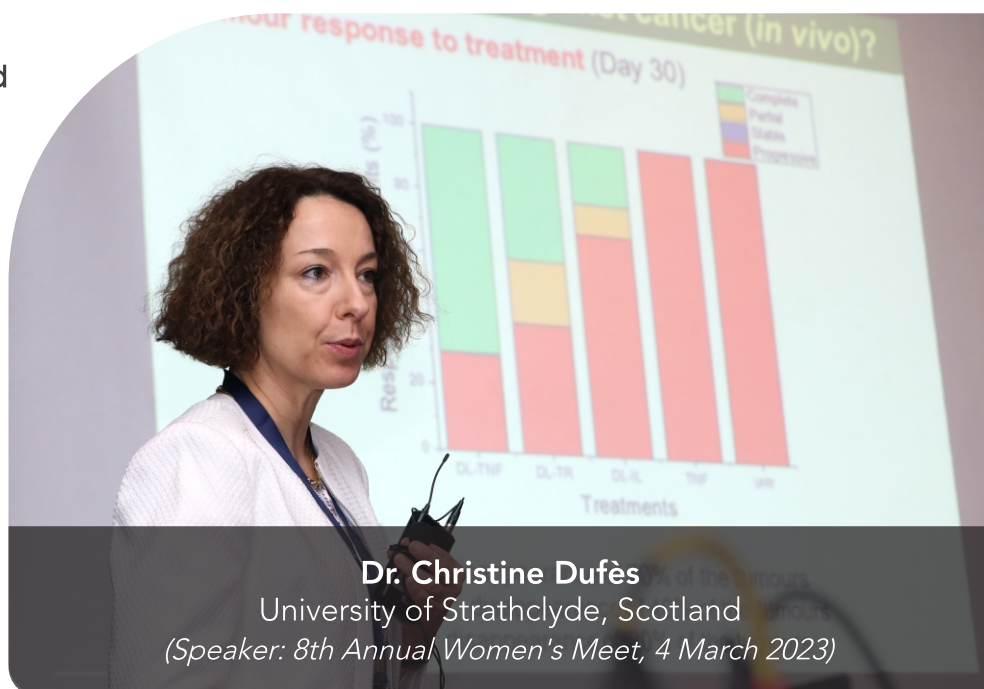

## Theme

“Cultivate Research Spirit and Create A Vibrant Community of Women In Science and Technology”orn.

## Top keynotes, strategy sessions, networking and more

Join us at AWM 2027 to cultivate a space where intellectual curiosity thrives and innovations are born.

Whether you are a seasoned scholar or an emerging researcher, AWM 2027 invites you to contribute to this ongoing narrative of knowledge advancement and global collaboration.

**Dr. Christine Dufès**

University of Strathclyde, Scotland

*(Speaker: 8th Annual Women's Meet, 4 March 2023)*

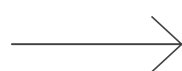

Together, let's chart the course for a future where ideas transcend borders, and the impact of science and technology resonates globally

**AWM 2027**

# Guidelines for Abstract Submission

## WHO SHOULD APPLY?

Women researchers and women faculty members working in the frontiers of Agricultural Sciences, Engineering, Health and Medical Sciences, Humanities and Social Sciences, Management, Science, and Veterinary and Animal Sciences.

- Abstracts are limited to 150 – 200 words. Abstract title and author names do NOT count toward word limit.
- The submission imply that it has not been previously published and it is not under consideration for publication elsewhere.
- The abstract must present the results of the original work. Plagiarism is unacceptable.
- If the abstract is accepted for publication, the author should not publish it elsewhere.
- Abstracts with missing documentation will be considered incomplete and will not be considered or reviewed
- The committee will proceed with a blind review of abstracts, which means author identities and institutions are concealed from the reviewers.
- The selection process of the review committee is confidential, and its decisions are final.
- The responsibility of the contents rests upon the authors and not on the publisher.

## KEY DATES

Submission Opens	6 April 2026
Submission Closes	16 August 2026
