## ADVANCING FORWARD

Welcome to Venus International Foundation – VIF! Amid the rapid progress of globalization, there are rising expectations to create new models to attend the industry sectors. VIF committed to the discovery and transmission of knowledge and is looking to explore new ideas, pursuing new knowledge, creating new art, and filling our society with the vibrancy that comes from being committed to research and intellectual exchange.

Venus as a truly global network foundation is advancing forward with tie into the world-wide flow of talent. Our challenge is to help to generate ideas, and to educate and train people to work in fields where they will be valued both for their specialized knowledge, and for their ability to research, and solves problems. I deem that unless the augmentation of expertise, moral values and ethics are incorporated, we cannot be successful. I am also obliged to the corporate world and academic circles for their unremitting support. I consider, by functioning collectively in an environment of trust and sustain, we would be gifted to accomplish more success and eminence in the years to appear.

## SPECIFIC OBJECTIVES

I am happy to present our 11th Annual Report for the financial year 2024 – 2025 during which we have organized 4 International Meets. Our meets are self-supporting event for specific objectives.

In the upcoming years, with a belief in science, research and evidence-based practices, we intend to advance several "Scientific Meetings to Build Vibrant Community" to exchange new knowledge and innovation to stimulate fresh insights.

I thank all of our speakers, delegates, participants, institutions, and networks who have generously provided the support that enables us to continue our work. My ardent thanks to all who have come forward to help us in our activities without whom we would not have been able to do anything.
